Hi Adriana,

This is for CD2.

I got this request directly from the council office yesterday, with no photos.

I can request a picture from them, but if possible this needs to be picked up today.

Thank you so much all!

Morning Diana

What items are we looking for?

I checked MYLA and I do not see any SR for any bulky SR tickets schedule and/or missed?

Adriana, do we have an update on this location? As a council request, we should have had this done yesterday.

Hi Mr. Serrano,

Apologies for the ongoing requests. We've been receiving a couple of requests from CD 2.

Can you have someone pick up a large illegal dump at [11443 Chandler Blvd.? \(Chandler/170 fwy](#) but closer to Tujunga ave).

Thank you so much in advance!
